GEORGE ROGERS CLARK

Monument on the battle ground of Piqua, near Springfield, Ohio. The sculptor was Charles Keck. "Here General George Rogers Clark with his Kentucky soldiers defeated and drove from this region the Shawnee Indians August 8, 1780, thus aiding to make the Northwest Territory part of the United States. Erected by the Clark County Historical Society with the aid of the State of Ohio, 1924."

Dedication

We, the editors, dedicate our work to George Rogers Clark, the conqueror of the Northwest, who, in 1780, just 150 years ago, fought within a few miles of the place where we now live. At that time he opened the way by which our ancestors were able to press westward. If he had not led his rough followers against these vicious Indians they might have proved to be too great a menace to the westward moving settlers, and they might have obliged the white man to remain east of the Alleghanies.

By conquering the English forts in this region, he established for the U. S. the claim upon the territory which we ourselves inhabit, so that in the Treaty of 1783 with England we became the sons of liberty and not subjects to His Majesty, King George of England.

Can you conceive of our debt to this great frontiersman? If the United Colonies had not received this territory, England would probably have followed out her plan of "bottling up the colonies" between the sea coast and mountains and, today, if there would still be a United States, it would still be confined to that limited territory and in such case there would still be thirteen instead of forty-eight stars in that great blue field.

GEORGE ROGERS CLARK ANNIVERSARY EDITION

GENERAL GEORGE ROGERS CLARK

Foreword

Seventeen hundred and eighty is a memorable date in the history of the land once known as the Northwest Territory as it was in that year that the last barrier to westward movement was removed. Before that time there had been many things to prevent the people from moving west but they had been removed, all except the ravaging bands of warlike Indians who roamed around through the woods and cruelly murdered the white man.

This menace had become so great that finally on April 1, 1780, George Rogers Clark set out from Kentucky with about one thousand frontiersmen to subdue the Shawnees, which was the most powerful of the warlike tribes. On April 8, 1780 he reached Piqua, the home of the Shawnees, which is just a few miles west of the present site of Springfield. Although outnumbered by about five hundred men, by nightfall of April eighth he completely routed the enemy from their stronghold and thus ended the last attempt of organized oppression toward the westward movement of the American settler.

In this, the twenty-sixth edition of the Herald Annual, we, the editors, carry out through the various sections of our book, several scenes from the life of this man to whose work we owe a debt we can never repay.

Scenic

(Scene near old Indian Piqua)

The Shawnee village of Piqua extended for about two miles along the foot of the cliffs west of Springfield. Here the Indian Chief, Tecumseh was born. As a child he loved to play in the pool of this beautiful water fall. Here George Rogers Clark broke the power of the Shawnee Indians and gave his name to the county of Clark.

*“Wisdom is the principal thing; therefore get wisdom;
And with all get understanding.”*

*"Thus when we view some well-proportion'd dome,
No single parts unequally surprise
All comes to th' admiring eyes."*

*Still so gently o'er me stealing
Memory will bring back the feeling*

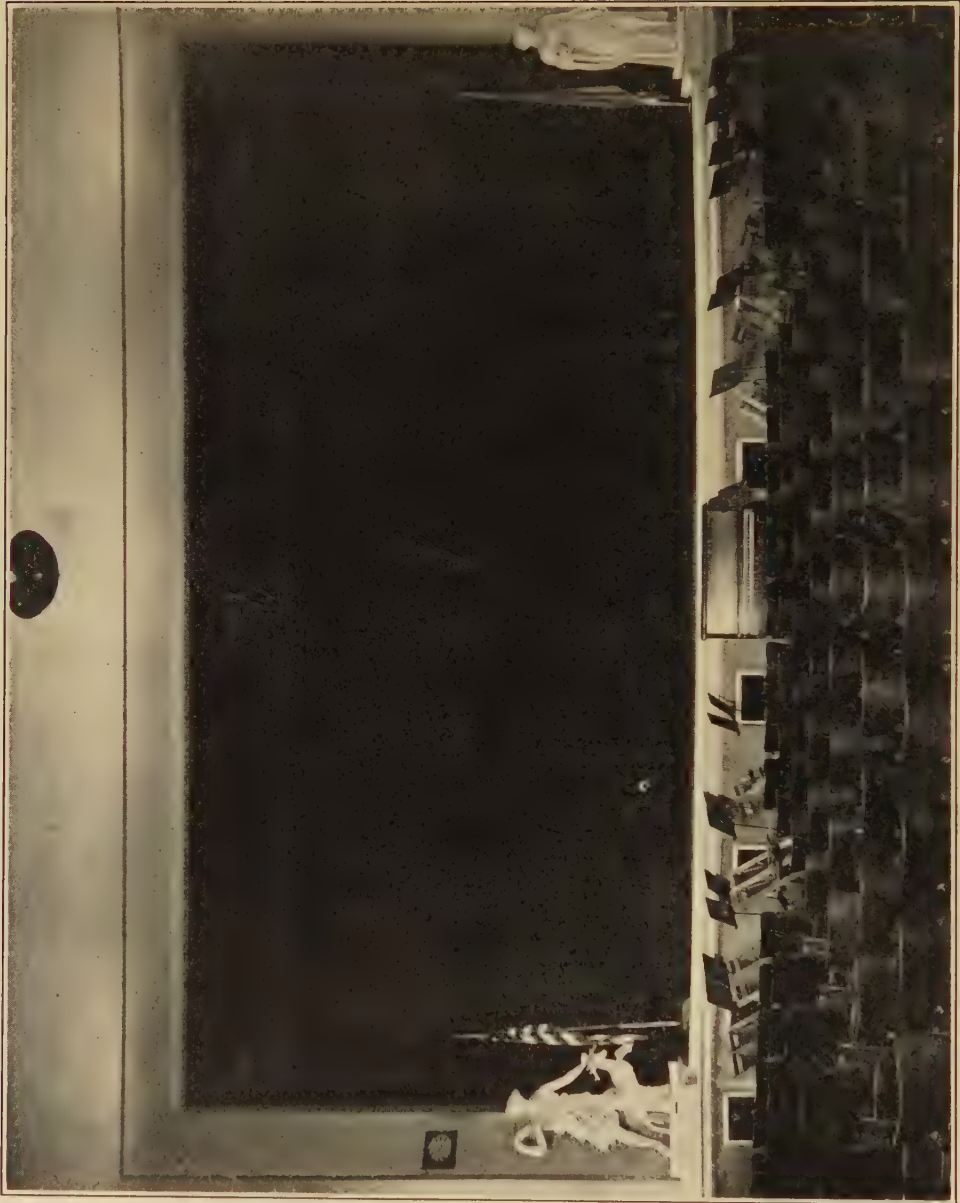

*As the dew to the blossom, the bud to the bee,
As the scent to the rose, are those memories to me.*

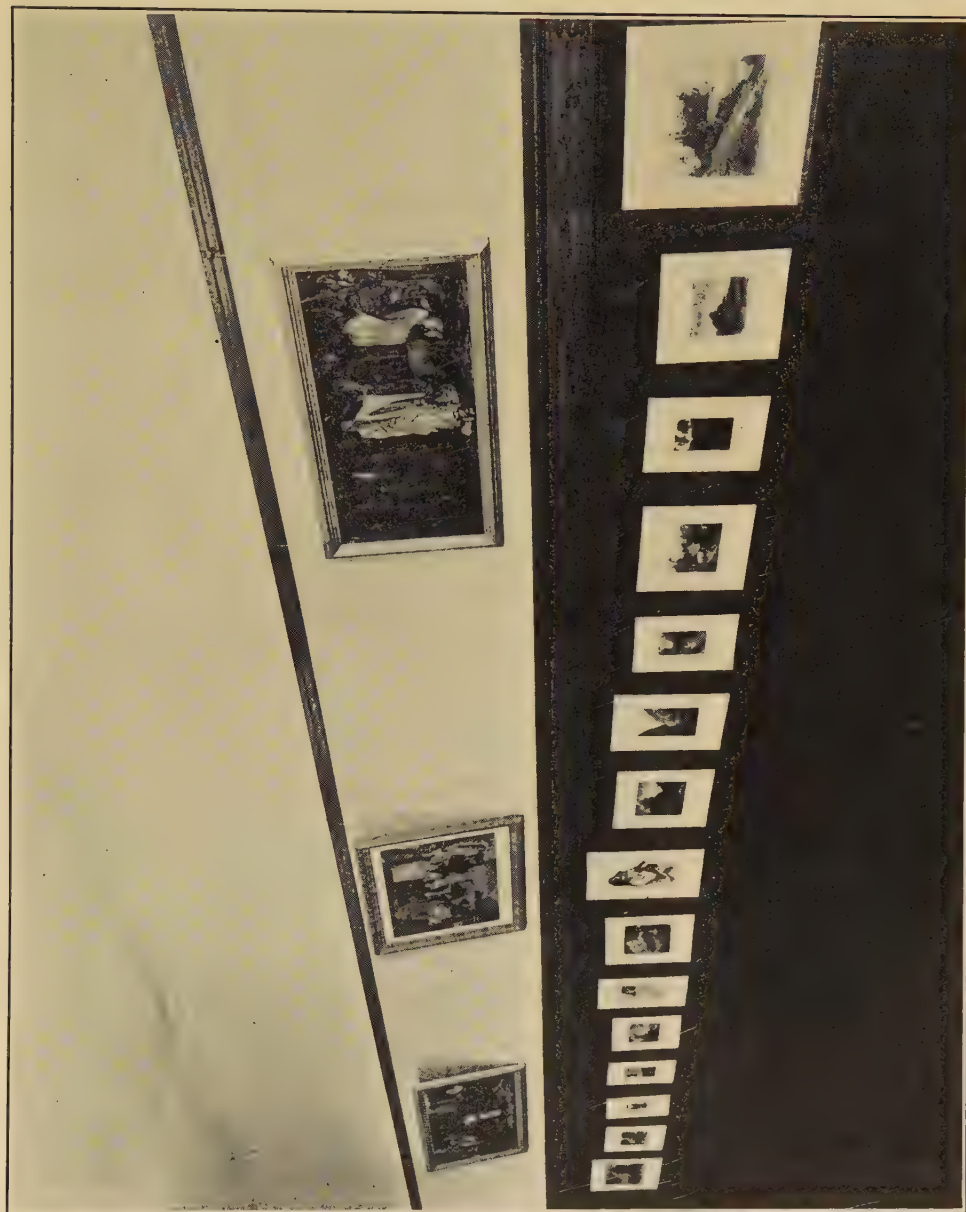

*The doorstep to the temple of wisdom
is a knowledge of our own ignorance*

*“Portals that lead to an enchanted land
Here, it is written, Toil shall have its wage and Honor, honor*

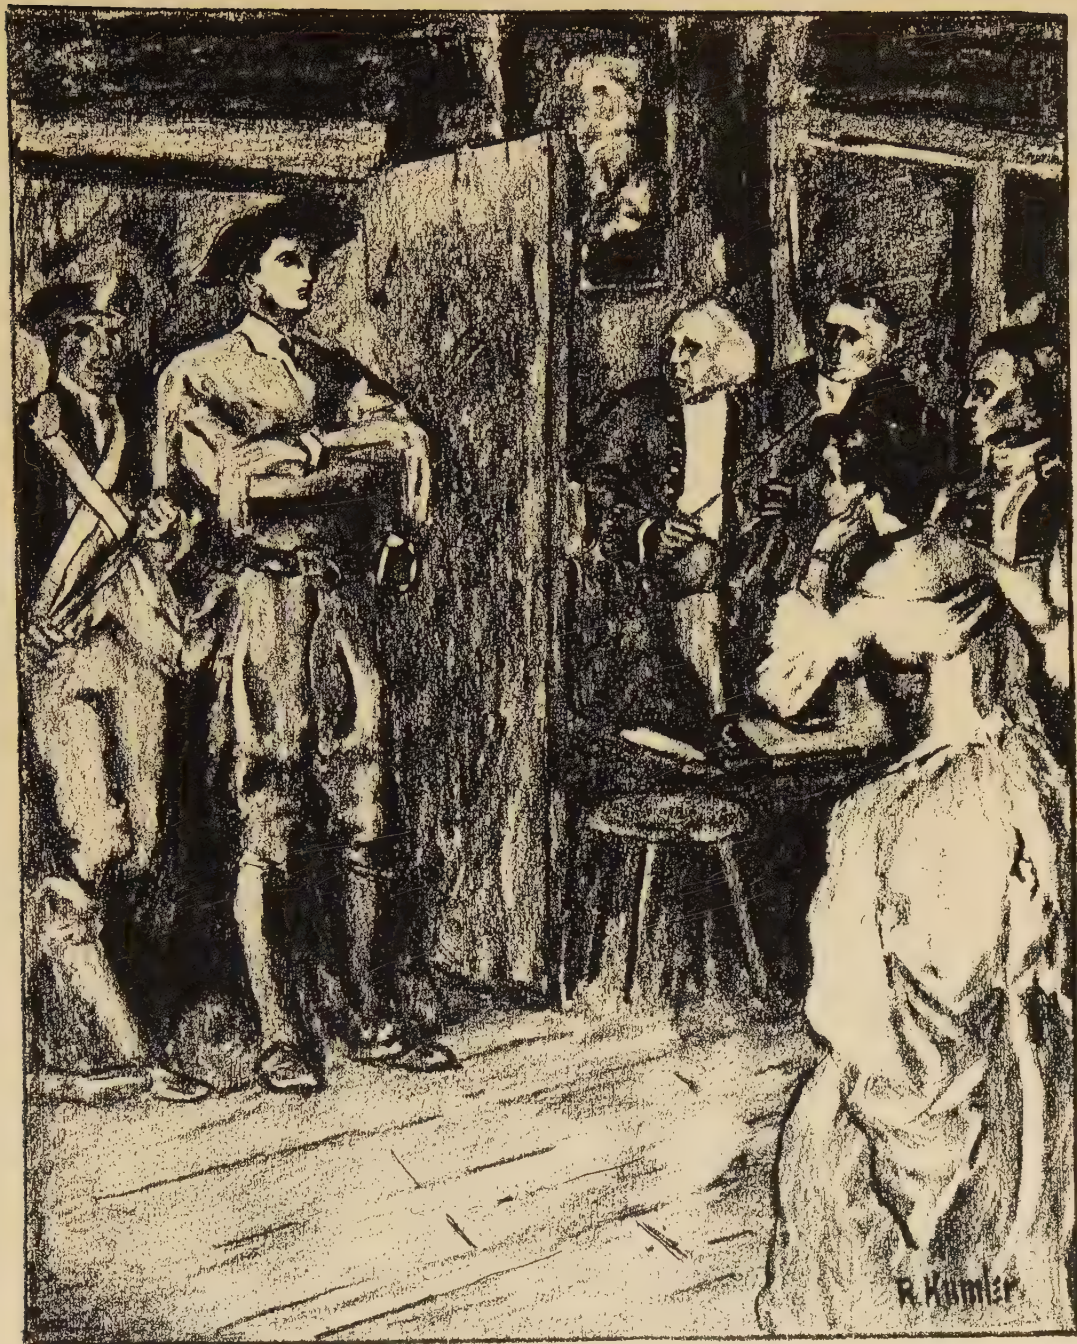

The applause! delight! the wonder of our stage.

A picture is a poem without words.

*If all the year were playing holidays,
To sport would be as tedious as to work.*

Administration

(Clark conquers Kaskaskia)

After a long and arduous march through the wilderness of Illinois, George Rogers Clark entered the British fortress of Kaskaskia during the progress of a dance. To the surprised and alarmed dancers, he said, "Go on with your dance, but remember you are now dancing under the flag of Virginia." Thus he secured for the United States the fertile fields of the Northwest Territory.

Clark's Romance

During Clark's occupation of Kaskaskia, he became great friends with the young Spanish governor of St. Louis, and his beautiful sister, Senorita Gerese de Leyba.

When Clark's financial misfortunes made their marriage impossible, the young Senorita entered a convent in Spain. Clark, true to his early love, remained single to the end of his life.

Activities

Through the Swamps to Vincennes

For eighteen days in February, 1779, Clark led his little army two hundred miles on foot through mire and swamp, to capture Vincennes. Cold, wet, hungry and almost exhausted, they reached the banks of the Wabash to find yet five miles of flooded river valley between them and their goal.

MIDYEAR SENIOR CLASS PLAY

THE GHOST BIRD

By Neil E. Schaffner

The Mid-year Class of 1930 presented the first mystery play in the history of S. H. S. when they gave the mystery "The Ghost Bird" on January 24, 1930 in the auditorium.

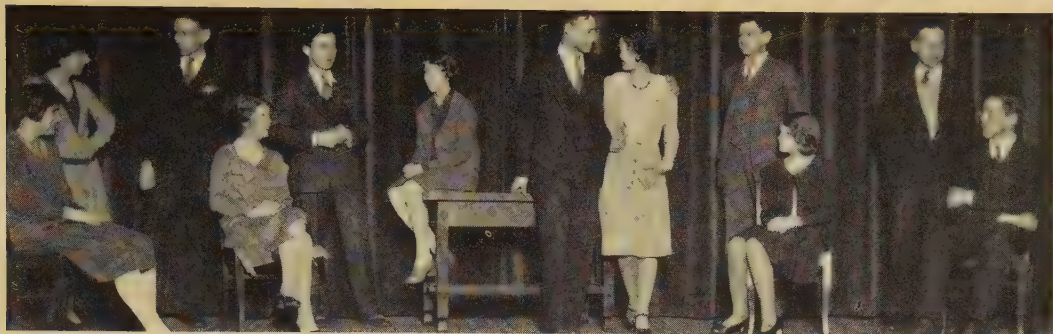

Miss Harriett Bartlett chose the play and also the cast. She also had complete supervision of the training.

The scene was laid in Mrs. Dore's old fashioned farmhouse about forty-five minute's drive from New York City. The trouble began when Brad Buckhart threatened to report on Will Belmont unless Will's sister Catherine promised to marry him. That evening, Brad was murdered and everyone in the house was suspicioned, especially Will who had threatened Brad's life if he didn't leave his sister alone. As the plot develops the audience is at all times kept wondering just who is responsible for the killing. Finally it is proven that Philip Graham was the "Ghost Bird" and that he had killed Brad because Brad was beginning to know too much about the "Ghost Bird's" affairs.

The leads of the play were very well enacted by William Weller who played the part of Carl Thomas and by Doris Gallagher who played Catherine Belmont.

The members of the cast as they appear in the picture, reading from left to right are Tobras Tolliver (Toby), Myrton Packer; Mrs. Dore, Lucille Reich; Andalusia Anderson, Thelma Huebner; Bella Walker, Eleanor Woodruff; Annie Bloom, Elizabeth Brenner; Jenkins, a detective, Stanley Hostetler; Philip Graham, Clarence Grant; Brad Buckhart, Hayden Evans; Will Belmont, Harrison Moss; Celeste, Josephine Simpson; Catherine Belmont, Doris Gallagher; Carl Thomas, William Weiler.

JUNE SENIOR CLASS PLAY

A PRINCE THERE WAS

By George M. Cohan

On May 20, 1930 in the S. H. S. auditorium the June Senior class presented the play "A Prince There Was" by George M. Cohan. Miss Harriet Bartlett had complete charge of the presentation.

The story was of a very rich man Charles Martin, who had become thoroughly disgusted with life. Then a little girl named Comfort Browne came into his life and showed him the happiness she was getting from her life while working in her stepmother's boarding house. Martin got a job from a friend of his as an assistant editor of a magazine and then went to live in this boarding house under an assumed name. While there he meets Miss Woods who wrote stories but had never been able to sell any. He aided her by buying her stories and then he finally found that she was one of New York's most popular writers and she had also come to the boarding house under an assumed name. But while Martin was at the boarding house he learned more about life and was then able to "bump the bumps" as he put it.

The cast as shown in the picture are as follows:

Walter Herold, Harry Brannon, Lawrence Laybourne, Norma Brown, Ruth Ulen, Margie Glauner, Mary Jean Weinland, Thomas Booker, Ann McIntire, John Cooley, Ethel McDaniel, David Gotwold, Robert Kissell.

GOLD AND BLUE MINSTREL

The Annual Gold and Blue Minstrel was given on November 22 and 23 under the direction of Gaylord R. Humberger, director of music in the Springfield public schools.

In the above picture, Director G. R. Humberger is shown alone, seated in the first row. In the second row are the end men and the interlocutor. They are left to right, Kenneth Mast, Stanley Hostetler, Joe Harte, William Weller, interlocutor, James Rhodes and Harry White. The members of the circle and the balladists are pictured in the third row. Reading from left to right, they are Keith Dolbeer, Bob Kumler, Lawrence Laybourne, Rodger Worthen, Lohman Ohmart, Virgil McKeever, Carroll Bovey, LaMarr Rice, Harris Wilson, Alan Dolby, Thomas Duffy, Earl Trenner, Michael Chakeres, Harold Crosbie, Elmer Hartman, Ralph Stokes, John Heim and Temple Gifford.

Those not in the picture who took part in the Minstrel are Jack Dillahun, Charles Faust, Claire Miller, John Henderson and Ivan Hickman.

There were three acts which supplemented Curley Miller's Act. They were Day and Jay, a musical number by Keith Dolbeer and John Heim; "Chicago" Matimore's piano feature; and Dusty and Rusty, a black-face dialogue by James "Dusty" Rhodes and Harry "Rusty" White.

CHRISTMAS PLAY

This year Miss Harriet Bartlett chose as the Christmas Play "Why the Chimes Rang" a dramatization of a story by Raymond MacDonald Alden. It was given in the Auditorium on December twentieth at eight-thirty in the morning to all the sophomores and then again at ten-thirty before the juniors and seniors.

A synopsis of the story follows: It had been reported that the old chimes in the church would ring when a worthy offering was placed on the altar. The king came and presented gold; a beautiful woman came and presented jewels; many others came and offered gifts but still the chimes did not ring. Finally a little peasant boy who had just before given his scanty food to a half starved old woman, presented his last pence before the altar. Immediately the chimes began their joyous ringing. The story showed that it was not the amount of the gift that counted but it was the denial that was recognized before the altar. Thus, the king could well afford the money that he had given; the beautiful woman would never miss the jewels which she had offered but to the little peasant boy that little offering meant a great sacrifice.

The cast of the play as shown in the picture was reading left to right; John Cooley, the Priest; John McConnell, a white haired man; Lucille Schaeffer, Steen, Holger's younger brother; Jeanne McCullough, a young girl; Norma Brown, Holger, a peasant boy; Crawford Scott, an acolyte; Rosemary Sundberg, a beautiful woman; Dorothy Schreiber, an old woman; Clyde Norman, Bertel, Holger's uncle; Robert Schrimp, a rich man. The following were members of the cast but did not appear in the picture; Hayden Evans, the king; Lester Rudolph, a courtier; Homer Overholzer, an acolyte; D'Esta Humberger, an angel.

CHRISTMAS GIFTS

The following is a copy of the letter received by Mr. Tiffany from Miss Dill, director of the Red Cross service in Chillicothe, in appreciation of the gifts received :

The American Red Cross,
U. S. Veterans' Hospital,
Chillicothe, Ohio.
January 15, 1930.

Dear Springfield Juniors:

On Christmas afternoon after the last presents had been given out, those of us whose pleasure it had been to receive and distribute the gifts, sat in the Red Cross office wondering how it was going to be possible to thank the Juniors and others who had worked so hard to make a happy Christmas for the men. That thought appalled me ever since the enormous truck full of your Christmas gifts had backed up to our front door and all your beautifully done-up boxes were carried out. When the junior who came with the truck asked me if there was any word for him to take back, all I could say was: "Tell them all thank you." I know it was one of the most heartfelt "thank-you's" ever given. It was so inadequate to express the way we all felt.

I was called up on the stage from the office and as I stood there behind the ferns and greenery looking over the hall, I thought if the Juniors could see it here as I see it now, I am sure they would feel repaid for all the trouble and work that they had in preparing the patients' Christmas. In a corner of the hall nearest were a group of patients visiting with their families who had come to be with them on Christmas. In another, some were playing checkers on the new checker tables you sent. Next to them were several men playing bola ball and near them another group playing indoor horse-shoe, both games you had sent. The writing tables were all in use, the men writing home to tell what they had received in their stocking and of plans for their Christmas week. One of our new card tables was taken by bridge players and at another sat a group playing jackstraws, another game they had received from the Springfield Juniors. Still another group gathered around a man who due to some delay, was just opening his stocking. They were all as interested as he in whatever the package he unwrapped contained. Others were just sitting talking quietly to each other and watching the games in progress.

As I went back to the office through the hall, I was stopped many times as one man after another brought out some specially prized gift to show me and have me admire. There was the same happy feeling there is in most of our homes on Christmas afternoon when our gifts have been thoroughly examined and we have had a good Christmas dinner. Every man who talked to me said this was the nicest Christmas he had since he had been in the Hospital and some even said it was the nicest Christmas that they had ever had. So, all the good wishes you had for them came true and all the work you did was highly successful for they all had a very happy Christmas and they all join me in wishing you a very Happy New Year.

Very truly yours,
Miss Mary K. Dill,
Director, Red Cross Service.

Miss Anderson was assisted in her work by a committee of the following teachers: Mr. Walsh, Mr. Kuenzli, Mr. Young, Miss Maude McElroy, Miss Maude Hullinger, Miss Ruth Hunter, and Miss Mary Roberts.

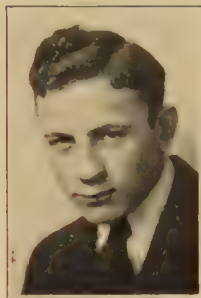

Mary Haemmerle, a member of the student body, along with the assistance of Miss Thelma Whitely had charge of the guides, Miss Conrad, one of Miss Myrtle Hullinger's cooking students was in charge of the dining room. Members of the cooking classes assisted with the serving.

The favors, which were given to the parents were made by the girls of Miss Maud Hullinger's sewing classes.

The first feature of the party was a meeting of all the parents, teachers, and students in the auditorium. Mr. Tiffany gave a few words of welcome after which there was a short musical given by the members of the S. H. S. orchestra, under the direction of Mr. Humberger.

A reception was held by the teachers in their respective departments after the program in the auditorium.

The party was the most successful of its kind ever given, having about 1,000 people present.

MID-CLASS WRITERS

The Mid-year '30 class chose the above as class writers; left to right: Lucile Reich, class prophet; Wade Wichaël, class historian; Keith Dolbeer, class poet; and Stanley Hostetler, last will and testament.

CLASS NIGHT

The mid-year class night exercises at which the prophecy, the last will and testament, and the class poem were read, was held in room 45 on Tuesday night, Jan. 28. The room was very attractively decorated in all the colors of the rainbow. The streamers were hung from the lights and the ceiling.

One of the most interesting activities of class night is the election of the most popular girl, etc. This time Betty Hughes was chosen the most popular girl, and she and Charles Swanton were chosen as the best looking couple. Bob Hamilton was elected the most popular boy. Madelaine Bair was chosen the most beautiful girl, and Wade Wichaël is the handsomest boy. Jake Moss is the best boy athlete, while Martha Schenck is the best girl athlete. The most devoted couple is Clarence Grant and Catherine Walker.

During the evening Curley Miller's orchestra furnished music for dancing.

Class night is a tradition in Springfield High School and has been observed by every graduating class for many years. It means a great deal to the graduates because it is the last social affair that they have together as a class.

Clubs

Clark's men were attacked by the Indians while they were marching from Kaskaskia to Vincennes. Refuge was taken behind any convenient shelter that could be found, soldiers hurried to the protection of trees. The fact that the men of the west were accustomed to the Indian warfare, surprises like these did not bother them. They were constantly alert.

GEORGE ROGERS CLARK ANNIVERSARY EDITION

Miscellany

(Signing of the Peace Treaty)

Convinced by Clark's brilliant conquest, of Kaskaskia and Cahokia of the power of the Big White Chief and his Long Knives, a number of the leading Indian Chiefs of the Ohio country signed a treaty of peace. This cleared the way for Clark to advance upon Vincennes and was one of the most important factors in the opening of the Ohio country to white occupation.

IMPORTANT EVENTS

In the ensuing pages an effort has been made to collect, under the heading, the most important events of the school year, 1929-1930, which will give pleasure in later years to former students and friends of Springfield High School.

The first portion of this section will be devoted to the grouping of the events which are of greatest importance. The months and their respective outstanding events follow:

SEPTEMBER

Tuesday morning, September 3d, marked the opening of sessions of school with a total enrollment of 1449 students. Mr. Tiffany was confronted with the problem of accommodating the greatest enrollment in years, being forced again to install a shift session, thus causing a part of the sophomores to report at 10:00 A. M. for classes and continuing until 4:10 P. M.

The opening of school marked the appearance of five new teachers to the regular teaching staff. Mr. Arthur W. Mansfield and Mr. Ray Otto were appointed to take charge of the athletic department, Mansfield being head coach while Otto was to assist him in his duties. Miss Lena Hastings was assigned to head the Girls' Physical Education Department and Miss Winnie Linguist was to be Librarian. Miss Ruth Hunter was added to the personnel of the English Department.

For the first time in the history of S. H. S., the girls were privileged in having Miss Christine Hume, of the English department, as their adviser. The room on the third floor which had formerly been used for the storing of football equipment was furnished and was used for Miss Hume's office. In addition to her duties as Dean of Women, Miss Hume still retained her position of Faculty Adviser of the Girls' Club and the Girls' Council.

Probably the most outstanding event of the month of September was the annual Be-Square Meeting, conducted by the Senior members of Mr. Tiffany's Cabinet, to inform and to enlighten the new sophomores of the customs and regulations of Springfield High School students. The meeting was held in the auditorium Friday, September 20. This meeting was the thirteenth of its kind. Mr. E. W. Tiffany, having inaugurated the plan with the idea in mind that if every sophomore was made to understand that he was to obey and conform to the rules of S. H. S., that the school as a whole would be put on a higher level, since every student would feel it his own duty to uphold the school honor.

On September 12 the Girls' Club which is composed of all the girls of S. H. S. held its first meeting in the auditorium, with Lavina Hartsock presiding. The purpose of the meeting was to introduce the new officers of the club and the new coach, Miss Hastings, to the girls of the school.

During the first weeks of school sophomores just entering High School were given tests which were to give an estimate of the average intelligence of each student. The results of these tests were kept in file in the office to be used only by Mr. Tiffany in checking whether the students were working to the best of their ability.

Due to the great expense involved, Who's Who pictures, which have appeared in the regular bi-weekly editions of the Herald in previous years, were discontinued this year.

One of the most interesting and varied auditorium exercises of the month of September as well as the whole school year was that held the 28th of that month.

The main feature of the exercise was the joint description of the world Jamboree of Boy Scouts by John Cooley and Elden Bailey.

IMPORTANT EVENTS

At this time Mr. Tiffany, in behalf of the Art and Biology departments, presented the winners of the second annual Flower and Vegetable Show with prizes which were offered by the two departments.

In addition, Coach Arthur W. Mansfield in a short speech urged the students to back the Gold and Blue athletics throughout the school year.

Jeane Browne opened the exercises by a vocal solo, "A Bowl of Roses."

OCTOBER

The most important event taking place in October to the Seniors, if not to the rest of the student body, was the election of the officers of both June class and of the Mid-Year class. These elections were held on Friday, October 4, resulting in the election of the following students to officers: Mid-Year officers, William Weller, president; Clarence Grant, vice-president; and Martha Meyer, secretary. June class officers: John Cooley, president; Melvin Cox, vice-president; and Kyle Westfall, secretary.

The month of October marked the appearance in auditorium exercises of two very interesting speakers. They were Mr. John Greiner and Mr. Dickinson.

Mr. Greiner, who is a former pupil of Mr. Tiffany, spoke to the student body on the subject "Youth in Latvia." Mr. Greiner was former secretary of Y. M. C. A. work in that country. His address was heard on Thursday, October 3.

Mr. Dickinson, vice president of Cedarville College, talked October 16 on the subject of "The Game of Life." Mr. Dickinson's main point was that the student by all means should stay in school.

Contrary to former custom a portion of Mr. Tiffany's Cabinet was elected by divisions, one student representing a division. In addition to these members, outstanding and representative people of the Junior and Senior classes were selected by Mr. Tiffany to be members of his Cabinet.

When the Honor Roll for the first grading period was compiled there was a total of 87 students making the required average, 90%, in four academic subjects. This list equaled the one of the first grading period of last year which had broken all previous Honor Roll records.

On Thursday morning, October 21, students of S. H. S. were surprised to find in place of the "traffic cop" that a brand new red-amber-green traffic light had been installed by the city commission.

The light of which Lester Athy took charge during the year simplified the traffic jams in front of the school upon the taking up and dismissal of school.

NOVEMBER

November was a month of much activity in the student life of Springfield High School. Some of the most important events were the Parents Party, Minstrel, Selection of Senior class rings, and the announcement of the Christmas play and its cast.

"Why the Chimes Rang" is the title of the play which Miss Harriet Bartlett announced would be presented December 20 in connection with Senior Day exercises. Miss Bartlett who coached the play announced the cast early in the month of November.

From a display of five representative rings, submitted by Springfield jewelers, members of the senior classes selected their class rings on November 4.

The collection and selection of the rings was under the charge of a committee appointed by the two class presidents and consisting of the following people: Lawrence Laybourne, Stanley Hostetler, Robert Kumler, Thelma Whitely and the two class presidents, William Weller and John Cooley.

IMPORTANT EVENTS

The ring which was decided upon was submitted by Hoffman Green Jewelers. The ring selected was of a modernistic design and was made only of yellow gold.

The ninth annual minstrel show was presented in the school auditorium the nights of November 22 and 23 under the direction of Mr. G. R. Humberger.

The show was one of the most successful of its kind ever presented in the school, although the cast was upset at the last minute when the fraternity rule was put into effect. This rule states that no student who belong to a fraternity or sorority may participate in any school activities. Since there were some in the cast who were members of such an organization, boys had to be found at the last minute who could take their places.

The Honor Roll for the second grading period showed a total of 110 names. This list showed an increase of 33 names over the one of the first grading period of this year and lacking but nine to come up to the record of the second grading period of last year. Mr. Eckert's division led the school with eleven students on the Honor Roll.

Introducing a new plan by which high school seniors mental abilities might be tested, the State Department of Education required that every high school senior in Ohio take an examination. These examinations were held in the high schools throughout Ohio on November 12.

The tests lasted from 9:00 until 12:00 A. M., the seniors being dismissed at the close of the exams. When the examinations were graded and tabulated by teachers in charge, the grades were filed in the office in order that they might be used in place of the usual test given to freshmen entering college.

During the month of November two very enjoyable speakers were heard by the students. They were Dr. C. H. Tobias and Mr. Arthur Carpenter.

Dr. Tobias talked to the students on November 14 about racial problems, making a plea that there be more cooperation between races. Dr. Tobias is the national secretary of the colored Y. M. C. A.

Mr. Carpenter of Chicago, lectured to the assembly November 25 on the subject, "The Science of Astronomy." Mr. Carpenter is a noted lecturer on astronomical subjects.

The annual Parent-Teachers' Party was held Friday evening November 15 in the Springfield High School building under the general chairmanship of Miss Cora A. Anderson.

The party, whose purpose was to kindle a deeper feeling between the parents and teachers, was the most successful of its kind ever given, having approximately 1,000 people present. This number is about twice the one of last year.

In the regular bi-weekly edition of the Herald of November 11, there appeared an article under the heading of "Prophecy." Since the June graduating class will leave no class writings, it is thought that it might be interesting to know the prophecy of one of the Herald's unknown contributors. Some extracts from the article follow: "What a wonderful cartoonist Bob Kumler will be. Won't Jane Casad be a fine angel? Gee, but John Cooley will be dignified as a judge of the Supreme Court. 'Twill be good to see the team Bud Cox coaches to a state championship. Herold will be a grand potentate or something of the Masonic lodge. We're sure the Doris Shewalter will crash through as Miss America and Ruth Ulen will surely be a sob sister on the News. Brown and Glauner will make a keen pair on the stage."

DECEMBER

The month of December was a very busy month for every student in high school. Some of the most important events occupying the students were: Senior Day exercises, Christmas Play, a campaign for the Herald Annual, and the

IMPORTANT EVENTS

Christmas project for the disabled war veterans in Chillicothe, Ohio.

The Honor Roll for the third grading period was announced on Friday, December 20th, showing a total of 127 pupils having made a 90% average. This list exceeded the one of the third grading period of last year by 7 names. Miss Krautwater's division, 10B, led the school with a total of 11 students on the Honor Roll.

At Mid-year Senior class meeting on December 18, election of class writers was held. The election resulted in the selection of the following people: Lucille Reich, class prophet; Wade Michael, class historian; Keith Dolbeer, class poet; and Stanley Hostetler, last will and testament.

The biggest day of the year to the seniors, if not to the whole school, besides graduation itself is Senior Day. This year the exercises were held on the last day before Christmas vacation, Friday, December 20.

In connection with the Senior Day exercises Miss Harriet Bartlett presented a Christmas play, "Why the Chimes Rang."

While the Juniors and Seniors took part in the Senior Day ceremonies the Sophomores remained in their division rooms until 10:00 at which time there was a second presentation of the play for their benefit.

The Juniors, who were playing hosts to the Upper classmen, presented the Seniors with a banner which was made of the Senior colors. The Junior class was represented by their spokesman, Bernard Zitsman. William Weller, president of the Mid-Year class, thanked the lower classmen for their gift.

On Senior Day, too, the Senior class colors, which were colors of the rainbow, were displayed for the first time. They were disclosed by a white dove, at a point in John Cooley's, the president of the June class, speech.

The opening periods during the whole month of December were spent in the preparation of Christmas gifts for the disabled war veterans at the hospital in Chillicothe, Ohio. Each division in the school worked on a special project, nearly every student in the High School was thus made a member of the Junior Red Cross.

The Red Cross work was in charge of Miss Ella Chase, teacher in S. H. S. It was she and her assistants who assembled the contributions and wrapped them in lovely Christmas packages. Practically all the articles sent down to the hospital were made by the students including attractive novelties by the Art Department, smoking stands, magazine racks, tables, and many other articles from the Manual Arts Department; party favors and Christmas stockings by Girls' Council and Domestic Science classes; joke books and scrap books. About 860 victrola records alone were sent to the ex-soldiers. The articles were displayed on the second floor on Thursday and Friday, December 19 and 20th.

On December 12 students of Chemistry and Physics were privileged in seeing a demonstration of the properties of liquid air by Professor Becker of Wittenberg College. The demonstration was held the second period and those students having a free period then were permitted to see the demonstration, which was held in the Physics Laboratory.

During the early part of December a campaign for the Herald Annual was conducted. This was under charge of members of the Cabinet. Every division in the school was urged to be 100% on Annual Subscription by members of the Cabinets.

The campaign was conducted during the opening periods.

Five members of the Springfield High School orchestra represented the school at the All-State High School Symphony Orchestra presented in Columbus, December 27.

IMPORTANT EVENTS

The representatives were: Jean Acton, violin; Dessa Little; bass viol; Elwood Myers, clarinet; Hayden Evans, cornet; and Harris Wilson, flute. The latter four were given first chairs, the highest honor of the orchestra.

JANUARY

On January 8 and 9 work started in earnest on the 1930 Herald Annual. On these two dates photographs were taken of nearly every individual in the school. The pictures were taken by Mr. Huntizer from Piqua who also took the pictures for the 1929 Annual.

When Mr. Tiffany was interviewed by a Herald reporter as to his impression of the past 1929 season, he said that he thought that on a whole that it was very successful. "The scholastic standard set in the 1929 season was extraordinarily good. Our high school stands near the top of the high schools of the state scholastically and I hope it will always be that way," said Mr. Tiffany. "As for athletics I feel as though we are now on the right track and that we will get some place."

The honor Roll for the fourth grading period when totaled showed 137 names, being equal to the list of the third grading period Honor Roll.

Miss Cumback's division, 12A lead the entire school with 13 students on the list.

For the semester Honor Roll 91 students attained the required 90 average in four academic subjects for the whole semester.

Mid-Year Seniors took their exams on January 22 and 23, while the examinations for the remainder of the students were given on Tuesday and Wednesday, January 27 and 28. School was dismissed for the remainder of the exam week.

FEBRUARY

Without a doubt the most important event in February was the graduation of Mid-Year seniors. The exercises were held on Thursday night, January 30, in the school auditorium.

Seventy-five seniors were given their diplomas at this time, comprising the largest Mid-Year class in the history of the school.

Class night was held for the graduating seniors on Tuesday night, January 27, in Room 45. At the exercises the class writings were read, class elections were held after which dancing was enjoyed.

The second semester started Monday morning, February 3, with a total of 228 new sophomores entering high school.

Besides changing several divisions there was no immediate effect on the regular schedule.

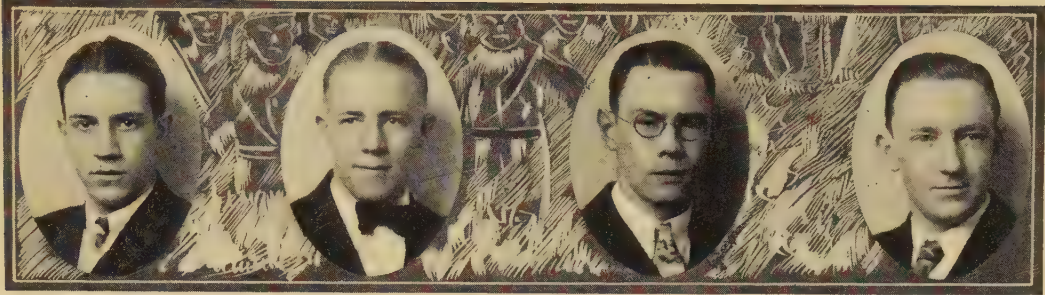

During the month of February there were two outstanding auditoriums. The speakers for these meetings were Miss Cleo Hurly and Mr. Earl Morris.

Miss Hurly, who is stylist for the News-Sun, talked to an assembly entirely made up of girls on Monday, January 20 under the auspices of Girl's Council. Miss Hurly talked to the girls for twenty minutes on the subject "Correct Clothes."

Mr. Morris addressed an assembly of the entire school on the subject "Crying Our Wares." Morris is a former student of S. H. S. and is now attending Wittenberg College and has won renown in oratorical circles.

Lincoln's birthday was observed in S. H. S. by a special auditorium. Rev. T. Wallis Grose, pastor of the High Street Methodist Church, gave an address on the "Life of Abraham Lincoln."

BANKING

Banking for the school year 1929-30 was the best since the banking system has been established in S. H. S. On October 15 the highest per cent of students banked, reaching 77.9 per cent.

On Tuesday, December 2, the largest amount of money was deposited, making a total of \$447.72. The total amount deposited for the year, until the first of April, was \$8,627.80.

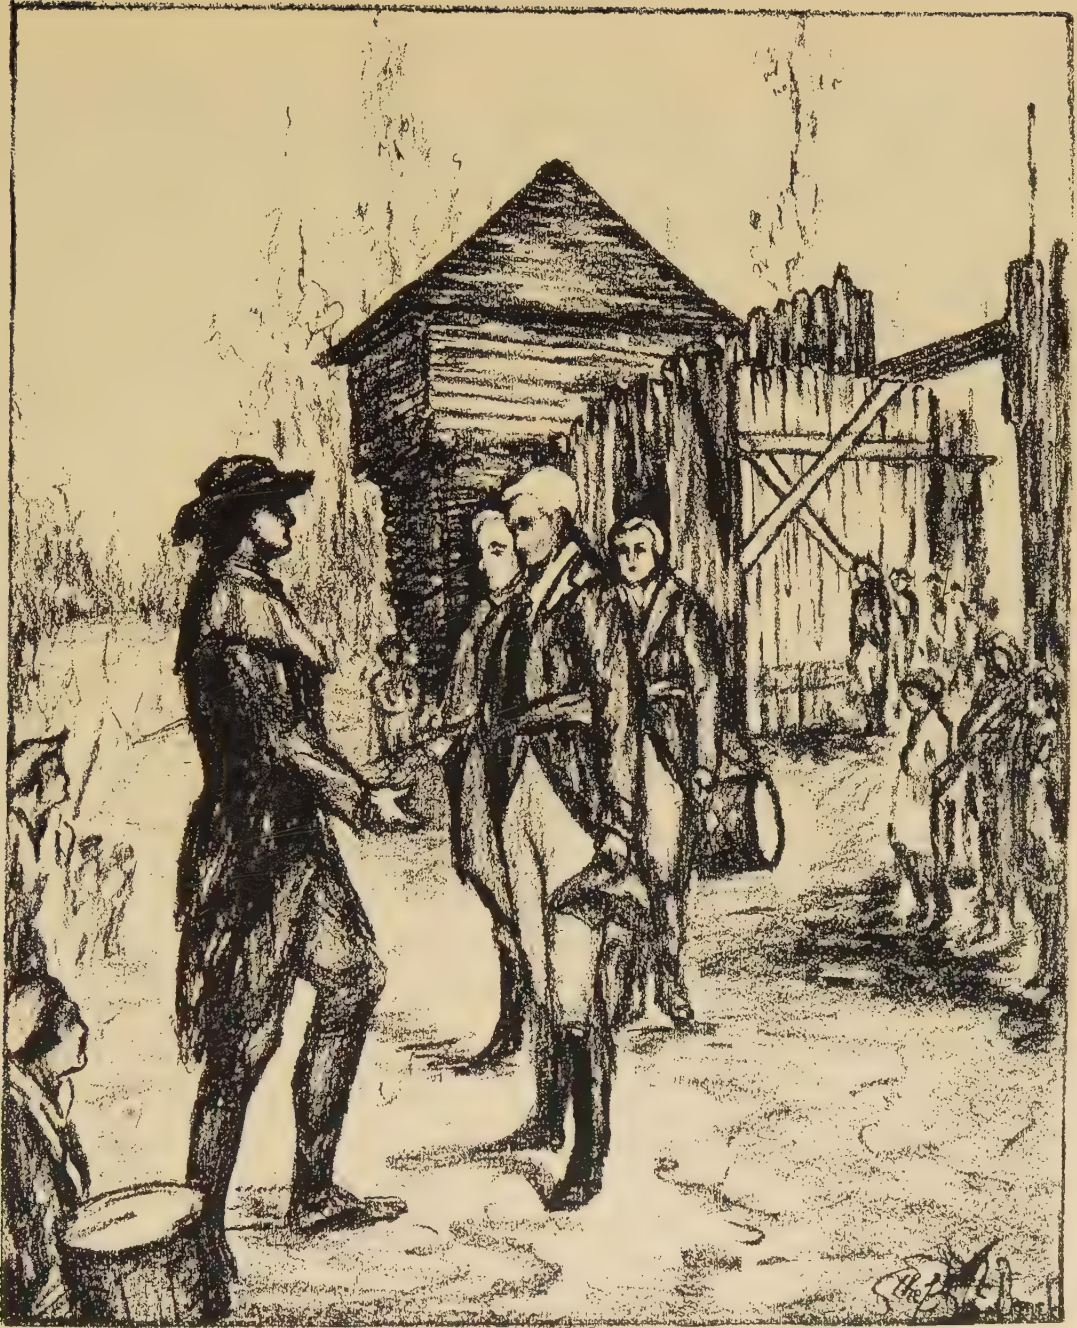

Mr. Fox's and Mr. Bower's divisions, 11O and 10R respectively, made extraordinary records, each having 100% banking in their divisions every banking day up to the date of publication.

Mr. Corwin's division 12K ranks second in the school, failing only once in having a 100% banking. Miss Krautwater's division 10B also made an unusual record, her division banking 100% 26 banking days.

A list follows in which the division, teacher, and number of times having 100% in banking are given:

GEORGE ROGERS CLARK ANNIVERSARY EDITION

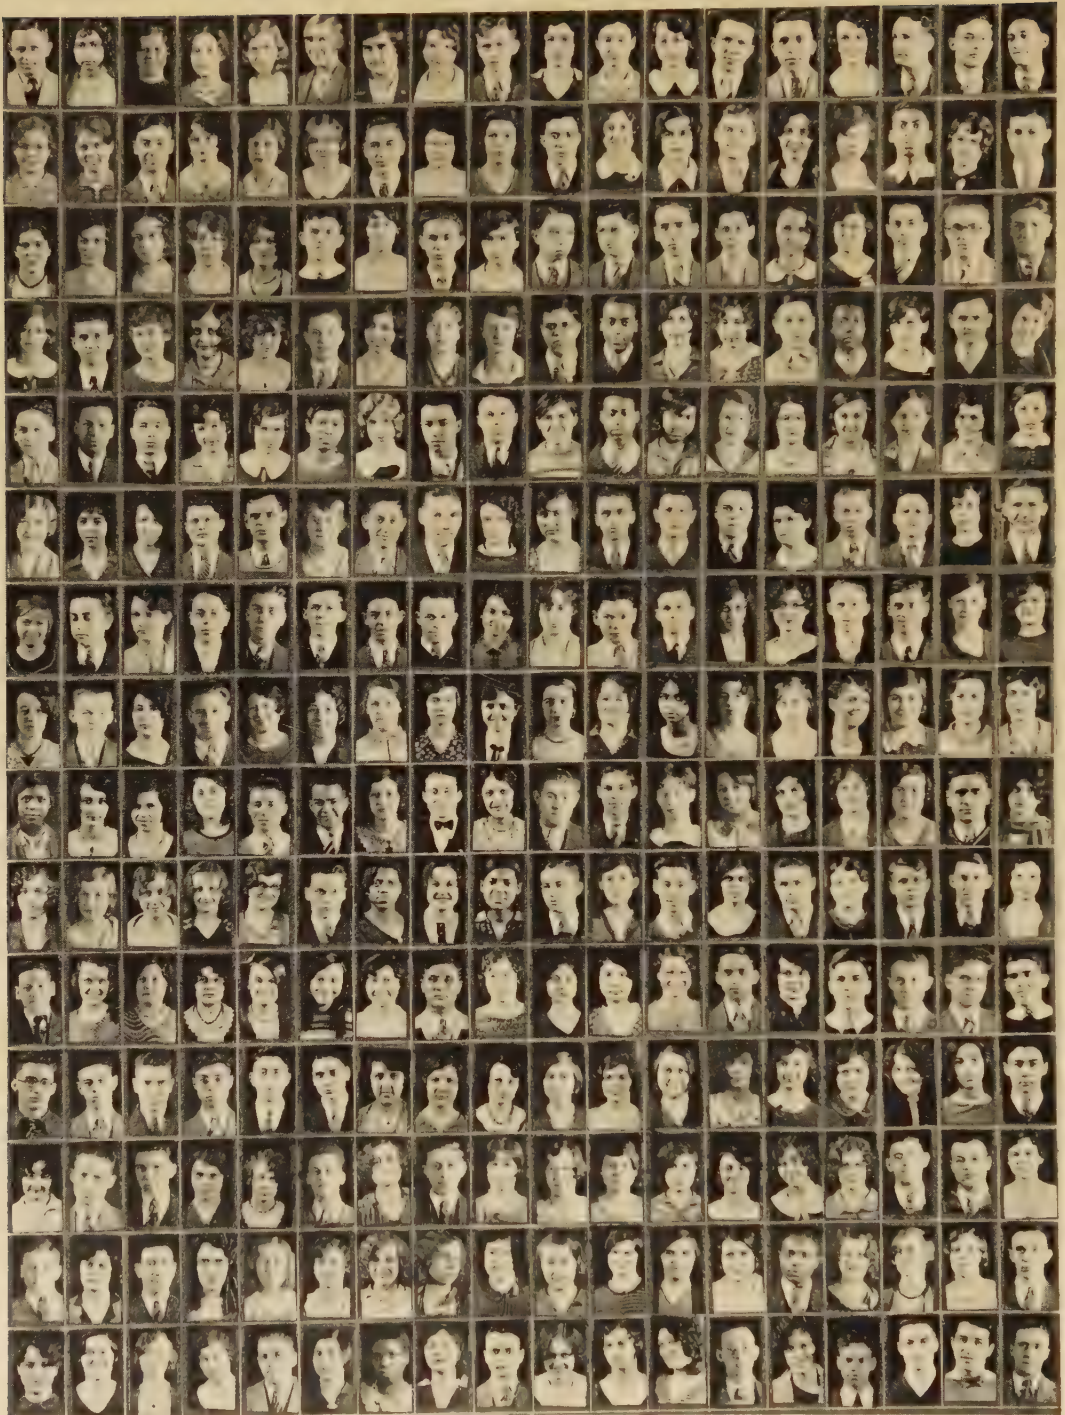

Classes

(Surrender of Vincennes)

Arriving at Vincennes Clark's forces were joined by many of the young French Creoles of that town. Early in the morning, they surrounded and attacked Fort Sackville. After several hours of incessant firing, Hamilton, the "hair-buying General" was forced to surrender. The illustration depicts the proudest moment of Clark's life, when he received the sword of Hamilton and ordered the Stars and Stripes raised over Fort Sackville.

(Battle of Piqua)

Five miles west of the present site of Springfield stood the Shawnee village of Piqua, birthplace of the famous chief Tecumseh. In August 1780 Clark led a small army of Kentuckians against the Shawnees and Mingoes. Destroying the Indian village of Chillicothe (near Xenia) they marched on to Piqua, where a sharp battle was waged. The statue of George Rogers Clark overlooks the site of this village and the battle ground.

MR. ARTHUR MANSFIELD

Athletic Director, Head Coach of Football and Basketball

Whoever it is who is responsible for securing Arthur Mansfield to coach Springfield High School's football and basketball teams certainly deserves the thanks of the student body. A graduate of Wisconsin University in 1928, Mr. Mansfield comes directly from college competition into coaching circles, and he proved his ability beyond question. Quiet and reserved in speech, yet Mr. Mansfield has earned the affectionate nickname of "Dynamite" on the gridiron and gym floor. In college, Coach Mansfield was Big Ten heavyweight boxing champ besides being a letterman in football, and baseball. We wish Mr. Mansfield the best of luck, and hope he stays with us to coach his fighting Wildcats to bigger and better things.

MR. RAY OTTO

Assistant Coach of Football and Basketball

When we learned that Mr. Ray Otto had been secured to assist Coach Mansfield, we inquired his schools. On learning that Dayton Stivers and Dayton University are his Alma Maters, we knew that Mr. Otto would be very competent, and our hopes and expectations were fulfilled. He assisted Coach Mansfield with the Varsity football squad and coached the Reserve and Sophomore basketball teams. Coach Otto was intensely popular with his boys and the student body. The success of the 1930-31 basketball campaign will depend largely on Coach Otto's work with this year's reserve teams, and there is every indication of a fine team for next winter.

FACULTY DIRECTORS

Homer Stevens
Treasurer of Athletic Association

Mr. Stevens held the purse strings well and is to be commended on his good and faithful work in the Wildcat club.

Miss Hastings
Directors of Girl's Athletics

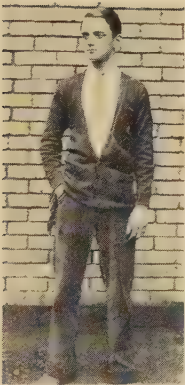

Miss Hastings made her first year at Springfield High School a great success. Being very popular with the girls, she fostered a splendid interest in physical education.

Harry Heide
Faculty Manager of Athletics

Mr. Heide finished his second term as Manager in his customarily efficient way. He was in a great measure responsible for arranging such good schedules for next year.

STUDENT LEADERS

Dick Harris
varsity manager

Here is a boy who deserves much credit for keeping the varsity squads in condition and being on hand in all weather. His name has been unsung during the seasons, but the Herald wishes to honor him here.

George Copp
varsity manager

George was a real asset to the team and the coaches. His cheerfulness, and never-say-die spirit contributed largely to the success of the Gold and Blue. In the name of the school, the Herald wants to thank George.

Geo. Copp

Alan Dolby
cheerleader

Any strangers at Springfield High School games during the year were impressed by the wonderful spirit shown by the student body. A great portion of that spirit was raised and encouraged by Alan Dolby, cheerleader extraordinary. Dolby is shown on the left.

Homer, Circle
cheerleader

Homer was Dolby's cheerleading twin. They were both out at all games and led cheers alternately. Homer always got a lot of noise out of the crowd no matter how the tide of battle was turning.

GOLDS 28 BLUES 6

Wildcat fought Wildcat in the first exhibition game of the 1929 season September 20. Bud Cox's Gold team triumphed over the Blues, captained by Jake Moss by a 28 to 6 score. It was the first appearance of the boys coached by Mansfield and Otto, and certainly promised great things for the season. The day was perfect and some five hundred fans turned out for the game.

The first quarter was nip and tuck, but early in the second frame Jake Moss, Blue Captain, took a perfect pass from Ferguson across the goal for the Blue's first and only score.

FIRST ROW (Left to Right): Magel, Zerkle, Calhoun, Harte, A. Moss, Runyan.
SECOND ROW (Left to Right): Pullen, Clauss, Fetz, Farrand, J. Moss.

SPRINGFIELD 46 CEDARVILLE 0

The first regularly scheduled game of the season was an overwhelming victory for the Gold and Blue gridders. Careful planning and coaching were evidenced by the steady way the advances were made.

Wichael's big plunging and the open field running of Rhodes, Farrand and Ferguson featured the contest which was played partly in a drenching thunder storm.

The Wildcats scored heavily in the first three quarters, but Cedarville held in the final frame, brilliant running of Priest and Doughman failing to count.

Some of the outstanding plays of the entire fracas were made by acting Captain Gordon at guard, Cox at end, McCauley at tackle and Baughman, a sophomore, at guard.

Practically every boy on the Springfield squad was given an attempt to show his wares before the crowd of yelling fans.

"Nigger" Alloway, halfback

"Charley" Armstrong, end

A Touchdown Play

SPRINGFIELD 6 COLUMBUS NORTH 0

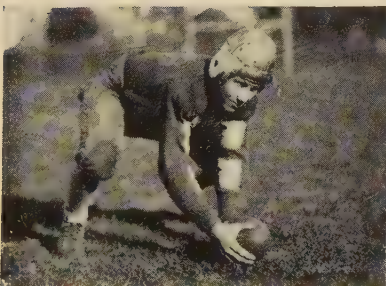

Coach Mansfield's warriors of the green and grassy gridiron proved their mettle October 5 by handing the highly touted Columbus North team a handsome 6-0 defeat.

Both teams played hard and clean, but Springfield outplayed the Eastern aggregation, holding the ball in the foe's territory the majority of the game. Several times, both outfits were in scoring position but failed to deliver for Alma Mater.

The only break came in the fourth quarter when "Bud" Cox, sterling end, blocked a North kick, and Corle took it over for the first and final score.

Baughman, the Sophomore guard, starred in the contest when he outplayed and outfought his heavier opponent from Columbus.

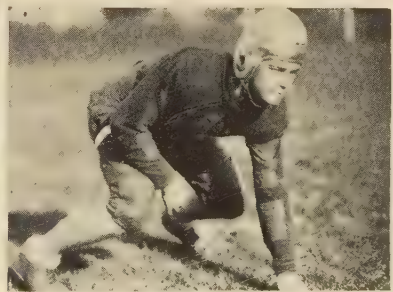

White, Michael, Moss trailed the fleet Ferguson for honors in the back field. Gordon, McCauley and Cox shone in the line play, constantly breaking through against the best efforts their hard fighting opponents could produce.

"Lorry" Corle, center

"Bill" Clauss, full

SPRINGFIELD 13 LIMA CENTRAL 0

The second team took the field against Lima Central and, although no score was made, the boys looked good on the defensive play, Coach Mansfield then ran in the first team, and the lacking scoring punch was supplied.

The game was badly played throughout. The Wildcats had a decidedly off day, yet proved better than the Lima outfit.

After some line plunges and a pass, Wichaël to Cox, Lima was handed a five yard penalty for offside, and Wichaël went over for 6 points, made 7 by Cox's kick.

Rhodes scored the next and last touchdown with a 14 yard run. The try for point failed. Then the second team was turned loose on the unsuspecting boys of Lima Central. The rest of the game passed without any scoring.

"Albie" Fetz, halfback

SPRINGFIELD 7 DAYTON STEELE 6

The warriors of Springfield High won a glorious victory on October 18 over Steele High School of Dayton on South side field. The largest crowd of fans of the season was on hand to witness the fourth consecutive victory.

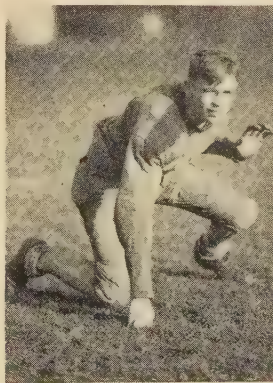

The game was a fiercely contested one throughout, marked by brilliant runs, hard tackling and inspired goal-line stands. Harry White, 155 pound Springfield half-back, paved the way for his team's lone touchdown by dashes of 15 and 25 yards through a broken field. "Big Wade" Michael took the ball over from the four yard line and Bud Cox made a precious point by a successful kick from placement.

Steele promptly came back with a touchdown in the second quarter but the boys from Dayton failed to take their opportunity to tie the score by the point after touchdown.

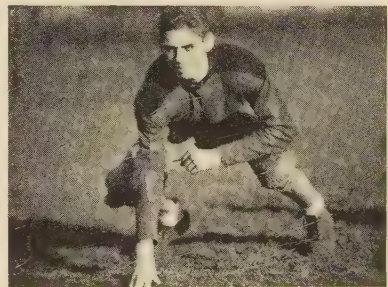

All during the rest of the game, Steele played frantically, trying to score on numerous forward passes, but the Wildcats knocked them down. White, Michael, Cox and Gordon held the spotlight in the game for the school on South Limestone St., as did P. Evans and F. Evans for Dayton Steele.

"Tuffy" Gordon, guard

"Mar" Harner, guard

DAYTON STIVERS 59 SPRINGFIELD 6

After the siege guns of Dayton, the far-famed Orange Crushers of Stivers had finished blowing great gaps in the hopes of Springfield fans at the University of Dayton Stadium Friday, October 25, everyone heaved a heartfelt sigh of relief, for no less than nine touchdowns were scored against the Mansfield-coached boys.

The game, played at night under great floodlights, was not without its bright spots for Springfield fans. In the first place, few teams have scored on Stivers, and the Wildcats did just that, when Gordon blocked a kick in the last quarter and Cox fell on it for a touchdown. Also, the Gold and Blue warriors were outweighed twenty pounds to a man.

Heller of Stivers made five touchdowns with other backfield men scoring their share. Besides Gordon and Cox, who made Springfield's lone score, Wichael, White and McCauley shone among the wearers of the S. Stivers High school was the outstanding team of the State for the 1929 season, beating many of country's best.

SPRINGFIELD 12 LIMA SOUTH 6

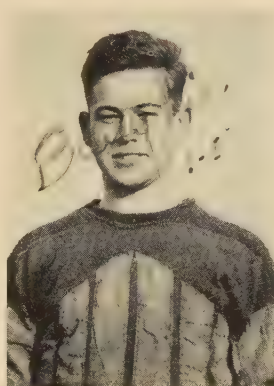

Coach Arthur Mansfield's fighting Wildcats invaded the lair of the Tigers of Lima South on November 9 and from the battle royal that ensued, emerged with the Tiger pelt over their arms, the score of 12 to 6 deeply burned on that skin. This was the fifth victory out of six games for the boys from S. H. S.

The first half was even all, both outfits fighting hard and no breaks appearing. It was in the second half that the scoring was done, and the Gold and Blue team proved the stronger. Lima fumbled on their own 30 yard line, from where Michael drove down the field for a touchdown on a series of line plays. The second tally came as the result of a fumble, too, and a long pass to Michael was good for six points.

It was in the fourth quarter that Stewart, flashy Tiger halfback, ran 70 yards from scrimmage to cross the Gold and Blue goal. This run was the most spectacular of the game.

HAMILTON 83 SPRINGFIELD 0

The heavy Hamilton team packed a terrific wallop and certainly used it to their advantage November 16 against the fighting Gold and Blue warriors. The dirge (or track meet) was set to the tune of 83 to 0.

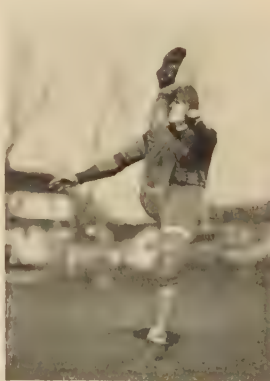

Coach King's spinner play fooled the Wildcats and that's the story in a nutshell. On this play Lewis scored nine touchdowns, which should constitute a full days' work in anybody's ball game.

The fact is, Hamilton was out to prove itself a better team than Stivers by running up a tremendous score. The Big Blue first team was left in practically all the game which was more than our Stivers friends would do.

Coach Mansfield's boys fought hard against the Hamilton heavies but it was the old story of a good big team and a good little team. Of course, the big one wins every time. Nevertheless, we still maintain that was no way to treat a guest under any circumstances whatever.

A Charging line

MIDDLETOWN 13 SPRINGFIELD 0

Coach Lingrel of Middletown pulled a fast one Saturday, November 24 at Wittenberg Stadium and the fast one happened to be a lad named Knepshild. This quarterback was largely responsible for his team's 13 to 0 victory over the Springfield High School Wildcats.

In the second quarter Middletown found themselves in possession of the pig-skin oval on Springfield's 20 yard line, and after Knepshild had brought it down near the goal line, he unselfishly let one of his teammates place the ball carefully on the yonder side of the white strip.

After the third quarter gun had been fired, Mr. Knepshild broke through the Gold and Blue line and was hot-footing it down to that little white line when Mr. Ferguson hit him from behind at the two yard line. The Wildcats held three times, but, like the Americans at Bunker Hill, they were conquered.

Ferguson and Wichael starred for Springfield, advancing the ball several times with long runs.

SPRINGFIELD 41 XENIA 9

"When the frost is on the pumpkin; Springfield beats Xenia." Riley would have been inspired to write another poem if he had seen the Springfield-Xenia game on Thanksgiving Day and, by the same token, had he not been a Xenia Rooter.

Things started off with a bang when Ferguson ran 55 yards for a touchdown in the first quarter. Xenia nearly scored on a long run but the Wildcat line held like the Confederate General Jackson for four times. However, Michael fumbled and, recovering, was tackled behind the line for a safety. In the second period Michael scored on a plunge and Cox intercepted a pass, reeling off 35 yards to tally; Coach Mansfield put in the second stringers at the half, and they made two touchdowns, Clauss scoring both. The third string men came in in the quarter and Michael plunged 25 yards for another touchdown, believe it or not. Xenia made their lone touchdown on a long pass and in a few minutes the final whistle blew and the 1929 season was history.

SPRING FOOTBALL

The picture above shows the eighty boys who received uniforms at spring practice. Over two hundred candidates reported to Coach Mansfield for the spring drill.

The first three weeks were to be spent in teaching and reviewing of fundamentals. Line men were given blocking and tackling workouts, besides learning the rudiments of line play. Backfield men tried themselves out at tackling, running, kicking, and passing.

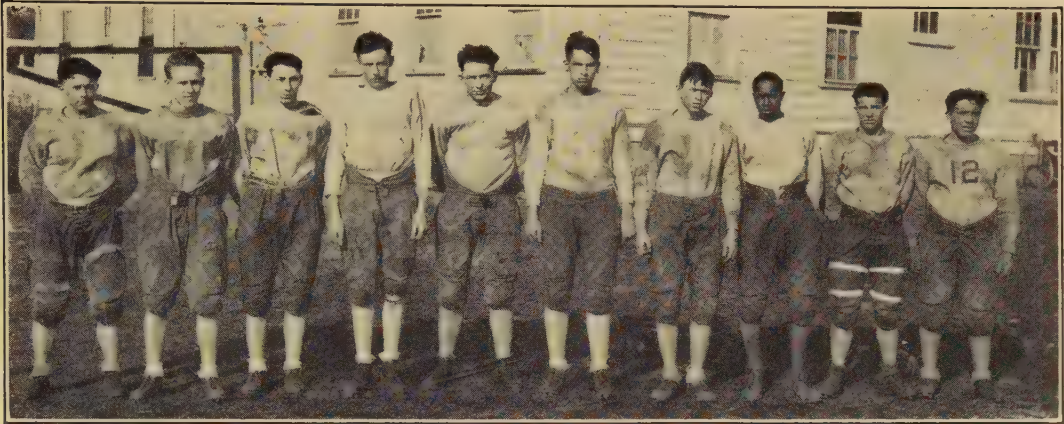

The second three weeks were scheduled for team play. Many of the boys were very green, possessing plenty of ambition, however, to offset any deficiencies in experience. The squad was divided into two groups of forty each. On May 2, a big game was played between the two groups.

Here is a group of huskies who reported for spring practice. They are, left to right: Hall, Knisley, Beard, Newcomb, Iglehart, Duffy, Wingert, Whaley, Mercer, and Neer.

COACH MANSFIELD'S CUP

Coach Mansfield created quite a furor when he announced his intention to award a silver loving cup to the boy whom he adjudged most worthy at the end of the spring practice. Here are his rules:

The Cup
(Courtesy—News-Sun)

1. All boys who are regular students of S. H. S. are eligible to compete for the cup excepting those ruled out by the following:

2. No boy at present ineligible due to scholastic work from last semester can win the cup.

3. No boy who has been in the high school more than five semesters is eligible to compete for the cup.

4. No boy who during the period of spring practice receives a weekly average below 75 in any one subject, will be eligible to win the trophy.

5. The coach shall judge your worth to squad in regard to discipline, proper moral, fighting spirit, attendance, general improvement in play and being trustworthy about the field house.

6. No boy who smokes, or is reported seen smoking during the period of spring practice can win the cup.

7. The cup will be presented to the winner between halves of the football game which will end spring practice.

May the best man win.

A. W. Mansfield.

VARSITY BASKETBALL SEASON

Springfield High School's Varsity basketball team enjoyed a very successful season during the winter of 1929-1930. Coach Arthur Mansfield coached the Varsity squad and is responsible for the strategy employed.

SPRINGFIELD 26 DAYTON FAIRMONT 10

The Wildcats triumphed over their first foe, Dayton Fairmont on December 7 by 26-10 score. The boys showed real class and promised great things for the season. Doughman and Wichaël starred for Springfield.

SPRINGFIELD 30 CEDARVILLE 9

The second contest of the season was with Cedarville High on December 13 at the high school gym. The score of the one sided victory was 30-9. The Doughman-Hamilton passing attack had the visitors bewildered. "Doughie" was high point man with 15 markers.

SPRINGFIELD 24 COLUMBUS SOUTH 32

Columbus South took the next game Springfield played by a 32 to 24 count. The contest was played December 20 in school gym. Again Doughman led the scoring.

SPRINGFIELD 17 ALUMNI 31

Springfield's classy alumni team conquered its former classmates in a one-sided tilt December 28. The Barrett twins; Pitzer, Ginaven and Patterson formed the old-timer's team. Doughman and Hamilton were first and second in scoring.

SPRINGFIELD 10 DAYTON STIVERS 24

The old Nemesis, Dayton Stivers, came back to defeat the smaller Wildcats by 24-10 score. "Big Bill" Hosket led his teammates to overcome Springfield's lead of 8-7 at the half. Wichaël starred by holding Hosket down while Hamilton and Doughman divided scoring honors.

Barney Dagan, forward

Earl Doughman, forward

SPRINGFIELD 10 DAYTON STEELE 11

On January 9, Dayton Steele triumphed over Springfield Hi's fighting Wildcats by 11-10 score. The game was featured by the extremely close guarding of both teams. Steele led 11 to 6 at the half but the Gem City boys didn't make a point during the last half. The Gold and Blue boys missed some promising chances for field goals in the last few minutes of play. Hamilton was high with 3 points.

SPRINGFIELD 33 HAMILTON 29

Perhaps the most glorious victory of the entire 1929-30 season was won from Hamilton High School in the S. H. S. gym on January 11 by 33 to 29 score. It was especially dear to Gold and Blue hearts because of the terrific walloping that school gave Mansfield's warriors in football. Bob Hamilton was the individual star of the fracas, tallying 19 points. The lad was "on" and made a harvest. This performance was the best individual work of the season. Cox and Doughman played stellar roles at guard and forward respectively.

SPRINGFIELD 34 XENIA CENTRAL 20

Xenia Central's "Buccaneers" were the next victims of Coach Mansfield's "Wildcats," falling by 34-20 score on January 19. Doughman and Hamilton starred with 13 and 12 points respectively. The game was a fast one, the Gold and Blue at no time walking away from the leaders of the Miami Valley League. Smittle and Bell looked especially good for Xenia.

Robert Hamilton,

SPRINGFIELD 28 MIDDLETOWN 22

The sixth victory of the season was at the hands of Middletown on January 23. The "Middies" worried the boys constantly with long accurate shots, but the Gold and Blue emerged victorious. Alonzo Moss, gigantic center, was the surprise of the game, playing real ball for his school. Doughman was high point man with ten points.

SPRINGFIELD 25 TOLEDO SCOTT 23

On January 25, Springfield High won its greatest victory of the season from Toledo Scott by a 25-23 count. All of the Gold and Blue men played like Lindbergh flies, "Ham" Hamilton leading the scorers with 16 points. Alonzo Moss made the winning basket in the last few seconds of play, ending a thrilling game.

SPRINGFIELD 22

GREENVILLE 16

On January 29, Greenville journeyed to Springfield only to receive a 22-16 setback at the hands of Coach Mansfield's fighting Wildcats. The reserves were started until the visitors got a 3 point lead, then the first string was set free on the floor. The game was of interest to the local fans principally because it marked the last home appearance of Michael, Hamilton, Cox and Rhodes.

Alonzo Moss, center

SPRINGFIELD 16 DAYTON STIVERS 18

Dayton Stivers earned a 18-16 victory over Springfield's Wildcats when the two teams met in Dayton, January 21.

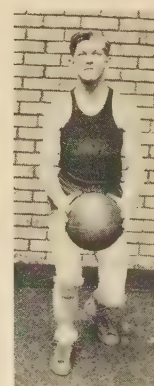

Padlow of Stivers proved the nemesis of the Gold and Blue warriors scoring 12 of his school's points. Bob Hamilton ran into some bad luck when his basket in the last part of the game was disallowed by that hawk eye official, Lane. This was the second time that Stivers trimmed Mansfield's boys in the 1929-30 season, but they looked good in spite of their defeat.

James Rhodes, guard

SPRINGFIELD 22 PIQUA 11

Springfield Hi's rejuvenated team beat the Piqua Indians on February 8 by 22 to 11 score. It was the last home game and also the first appearance of the team, following the loss by graduation of several stars. Barney Dagan, Harry Farrand and Whaley were the newcomers to the team and all showed up well. The game was fast, and the Wildcats defense was tight as evidenced by the 17 long shots the Indians were forced to resort to in a futile effort to score. Alonzo Moss was high scorer of the game with 7 points with Doughman close behind with 6.

SPRINGFIELD 20 HAMILTON 28

Hamilton High School avenged their earlier defeat by the Wildcats on February 15 at Hamilton. The score was 28-20. Coach Mansfield's warriors exhibited a marvelous defense, brought to naught by the long shots of Hamilton's warriors. Doughman was high pointer for both teams with 11 tallies. Mead and Heinz were the boys who saved the day for Hamilton with accurate long heaves. In the final quarter, Springfield made a bid for the game, but Hamilton adopted stalling tactics to put the game on ice.

SPRINGFIELD 14 MIDDLETOWN 13

Coach Mansfield's fighting Wildcats finished the season in a blaze of glory by defeating the Middies of Middletown in their home gym on February 21 to the tune of 14-13. The game was nip and tuck throughout with close guarding and many attempted long shots. Middletown missed a wonderful chance to win in the last few minutes of play, when a "Middie" was open for a sucker shot but missed the opportunity. As the old saying goes "Opportunity knocks but once," so it proved in the Springfield-Middletown game. The final whistle blew, and the game was over, the scoreboards proclaiming that Coach Mansfield's fighting Wildcats had won the last scheduled game of the season.

Wade Wicheal, center

SPRINGFIELD 22 XENIA CENTRAL 24

In the District basketball tournament held at Dayton March 14 and 15, Springfield was pitted against Xenia Central in the first round. Xenia already beaten once in the 1929-30 season by the Wildcats started off like a tornado, piling up an early lead on their opponents. However, the boys from Springfield soon found themselves and overcame the lead. During the rest of the first half and well into the fourth quarter of the second half, the wearers of the Gold and Blue maintained a substantial edge. But with a two basket lead against them, a substitute named Jimmie Ralls was injected into the fray to do his best—or worst. This boy, a Freshman, proved to be an eagle-eye and sank three baskets in quick succession to give Xenia the victory. After playing hard against an inspired team, Springfield went down to a graceful defeat in the last game of the 1929-1930 season. Tough luck, Wildcats!

CLARK ANNIVERSARY ACTIVITY SENIORS

Twenty seniors have been chosen for special recognition for their work along a field or fields of activity in which they have excelled. These fields may be of a much varied description by including such as work with clubs, athletics, school publications, plays, departments of music, or maybe, for excellence in scholarship. The factor recognized was the amount of perseverance, hard work and time the senior spent in his activities.

Taking all the facts into consideration the Herald Annual staff presents their selection of the Clark Anniversary Activity Seniors of the Classes of 1930.

CLARENCE GRANT

Clarence was surely one to be placed among the ten boys to be recognized. He was constantly on the honor roll and when the final average for the Mid-year class was figured, it was found that he led the entire class in scholarship. Clarence was a member of several of the clubs namely the Gold and Blue, Cabinet, Forum and Star and Atom, the latter being proud to say he was one time their treasurer and the next year their president. He also filled the office as vice president of the Mid-year class and was in the Class play in which he had an important role.

WALTER C. HEROLD

If for no other reason than name the Herald should include Herold in its selection. But indeed Walt is "Herold of the Herald" for almost every night after school he could be seen working in the Herald room since he was business manager in his junior year and in his senior year he was a member of the editorial board of the bi-weekly editions and also an editor of the Herald annual. He served as president of the Star and Atom. Was a member of the Gold and Blue, Hi-Y and Cabinet and carried the part of leading man in the June class play.

LAWRENCE E. LAYBOURNE

The list of activity students would not be complete without Larry. He is another one of the "Herald" boys, having served on the editorial board during his junior year and part of his senior year. Larry was also Sports Editor of the 1930 Annual. The French Club and Forum claimed him as their president, the Star and Atom as secretary, and the Hi-Y as treasurer. He was also a member of the Cabinet and the Gold and Blue. Larry took part in the French play and was

given a role in the June class play. He was also numbered in the circle of the Gold and Blue Minstrel. His name has always appeared on the Honor Roll.

MELVIN COX

Budd is one of the athletes of the group. He made a very remarkable record having received two letters in football and as many in basketball. On the football field he was pointed out as being an end extraordinary and that he was. He was good at snagging passes and it was Budd's toe on which depended the count for a field goal or the extra point after the touchdown. He was equally good in the basketball uniform filling the position of guard. A man guarded by Cox soon learned he could not outrun him because Budd was fleet of foot. Member of the Cabinet and Hi-Y, was Hi-Y secretary and vice president of the June class.

WILLIAM WELLER

Another boy who had to be considered in this selection was William Weller, the president of the Mid-year class. He had a great many duties connected with his position as president but he bore them all very successfully. Bill was very much interested in the music department as he received an "S" for his work while drum major, was a member of the Boys' Glee Club and had a part in the operetta and minstrel. Besides this he was a member of the Gold and Blue, Forum, Star and Atom and Cabinet serving as treasurer of the Star and Atom and president of the Gold and Blue. Bill was given the masculine lead in the Mid-year play.

JAMES RHODES

James or Dusty as he is generally called was one of Springfield High School's extraordinary athletes having received a total of four varsity letters, two football letters and two letters in basketball. As a football player he was a very able backfield man. Dusty was usually able to carry the ball for a gain since he put his fight into the game. On the hardwoods he was a good fast guard. He was on the tennis team for two years, a member of the Hi-Y Club and the Cabinet. For two years he served as an end-man in the Gold and Blue minstrels.

HAYDEN EVANS

Surely one to be included in this selection is Hayden Evans or Doc as he is sometimes called. Hayden, being an excellent trumpet player has been very much interested in music. He is a three year member of the orchestra and band and this last year he was awarded a first chair in the all state high school orchestra. He has greatly added interest to the meetings of the Forum and the Star and Atom of which clubs he was a member. He was also a member of the Cabinet. He had a part in the last two Christmas plays and a role in the Mid-year play.

ROBERT HAMILTON

Bob was the basketball player of the selection. He played on the reserve team when a sophomore and was on the varsity during his junior and senior years. For a few quarters he played the position of guard but he was more stellar as a forward. He had an exceptionally keen eye and could drop in those long shots in rapid succession. He worked with his running mate Doughman and when he saw his partner had a better chance of making a shot than he did, Bob would pass it to him. He fought for the school; but at his graduation he led the squad in individual scoring. Bob was also a three year member of the tennis team.

WADE WICHAEL

Wade was one of the four letter men of which Springfield High School is so proud. Big Wichael received two letters in football and an equal number in basketball. He played a great backfield game usually being able by line bucks to gain ground was needed either for first down or a touch-down. He was equally good on the basketball court. During most of the season he played center but was later changed to guard. Wade was a member of the Hi-Y club and the Cabinet and was class historian of the Mid-year graduating class.

Norma Brown
Ruth Ulen

Mary Haemmerle
R. Sundberg

Betty Prosser
Ann McIntire

Jeane Browne
Lavina Hartsock

Jane Casad
Martha Meyer

JOHN B. COOLEY

Indeed the president of the June graduating class could not be omitted, therefore the name of John B. Cooley was included in this selection. But don't think that was the only reason for his selection because there were many activities behind that initial reason. He was for two years on the business staff of the Herald and also served as president of the Gold and Blue and Historical Club. He is a member of the German Club and Mr. Tiffany's cabinet. John took part in several Christmas plays and was given a part in the June class play.

NORMA BROWN

During her high school career Norma distinguished herself for her work in dramatics. She had a part in the last two Christmas plays and by a display of exceptional talent in these presentations she was given a role in the June class play. Being rather short in stature she usually took the part of a child. Besides her dramatic work she was an active club member, being carried on the books of the Gold and Blue, Forum, Spanish, Historical, Friendship club and the Cabinet. On several occasions she gave talks before the sophomores on the school slogan. Norma also was placed on the All Junior Basketball Team.

MARY E. HAEMMERLE

Mary is surely to be included in this selection of girls. During the past year she has been an active member of the editorial board of the bi-weekly editions of the Herald and was also an editor of Herald Annual. She was a member of Mr. Tiffany's cabinet and as a cabinet member she gave talks on several occasions when the cabinet sponsored meetings to explain the "Be Square" slogan. In her senior year she was president of the Forum and was also a member of the Star and Atom, Spanish and Historical club.

ELIZABETH PROSSER

All during her work of three years at Springfield High School Betty distinguished herself for her excellence in scholarship. She was a good example of what pupils can do if they only apply themselves to their work. She was naturally quiet but when called upon in a class-room she could be depended upon to make plenty of noise and the right noise too. For several years Betty was a valuable asset to the High School orchestra as she was a talented violin player. She was a member of the French club, and also of the Cabinet.

JEANE BROWNE

Jeane distinguished herself as a worker in the music department of the high school. She was a three year member of the Glee Club which organization she served as president during her senior year. She was a member of the chorus and was given the feminine lead in "Your Royal Highness" the operetta presented by the music department. Jeane was also an active club member belonging to the Forum, Girls Council, Cabinet and Friendship club. She was president of the Forum, treasurer of Girls Council for two years and secretary of Friendship.

JANE CASAD

Surely the name of Jane Casad could not be omitted from this selection. She was very active as a member of many of the clubs. Under her presidency the Forum enjoyed a very prosperous semester. Her participation added to the enjoyment of the Spanish and the Friendship club. She was also a member of the Girls' Council and of Mr. Tiffany's cabinet. As a cabinet member she spoke before the incoming sophomores on meeting to acquaint them with the school slogan. As she was a harp and piano player she was on the orchestra during her enrollment at S. H. S.

RUTH ULEN

By her list of activities Ruth Ulen must be included in this selection. During the past year Ruth was a hard worker on the editorial board of the bi-weekly Herald and also as an editor of the Annual. She served in the capacity of president of the Friendship club, of vice president of the Star and Crescent and secretary of the Gold and Blue. She was also a member of the Latin Club and the Cabinet. As a cabinet member she was designated to take charge of an auditorium meeting held for the incoming sophomores to instruct them in the slogan of the school.

ROSEMARY SUNDBERG

One of the leading girls in Springfield High School, especially in scholarship, was Rosemary Sundberg. All during her three years study she had excellent grades in all of her classes. Besides keeping the report card up she was also an active member of several clubs. During the past year Rosemary served as treasurer of the Star and Crescent and was also affiliated with the French and Friendship club and the Girls Council. The Director of the Christmas play showed good judgment in selecting her to play the role of a beautiful woman.

ANN McINTIRE

When the selection of the feminine lead in the June class play had been cut down to a certain few it was Ann who was chosen, probably, for more reasons than one. Anyway, Ann got the part and played the role most admirably. She seemed to just fit into her part and with her manner, carry it out to perfection. She was a member of some of the many clubs of high school, the Historical, Spanish, Gold and Blue, Friendship and the Forum, serving as secretary-treasurer of the latter during her senior year. She was a member of Cabinet and Girls' Council.

LA VINA HARTSOCK

La Vina was indeed one of the leading girls of S. H. S. during the past year. She spent much of her time indulging in the work connected with the many organizations to which she belonged. As president of the Girls Council she had charge of an auditorium exercise to award prizes to the winners of the Bookplate contest sponsored by the council. She was also president of the Commercial Club, vice-president of the Girls Glee Club and affiliated with the Latin club and Cabinet. For the last two years she served on the Herald staff as Circulation Manager. She played on the girls basketball for three years.

MARTHA MEYER

Another girl who had to be included in this selection was Martha Meyer. During her junior and senior years she spent much of her time working as a reporter on the Herald. She had quite a varied line of activities. By her participation she added to the interest of the programs of the Commercial Club. She was a member of the Glee Club. Martha was highly honored by her class when she was elected the only girl class officer, that of Secy.-Treas. of the February class.

A School of

Engineering and Science

THE Rensselaer Polytechnic Institute was established at Troy, New York, in 1824, and is the oldest school of engineering and science in the United States. Students have come to it from all of the states and territories of the Union and from thirty-nine foreign countries. At the present time, there are nearly 1600 students enrolled at the school.

Four year courses leading to degrees are offered, in Civil, Mechanical, Electrical, and Chemical Engineering, in Architecture, and in Business Administration, Physics, Chemistry, and Biology.

Graduates of any of the above courses may continue their work in the Graduate School of the Institute. The Master's Degree is conferred upon the satisfactory completion of one year's work and the Doctor's Degree for three years' work.

The method of instruction is unique and very thorough, and in all departments the laboratory equipment is unusually complete.

Interesting illustrated pamphlets giving information regarding the courses of study and the methods of instruction and containing views of the campus, buildings, and laboratories, the student activities, and the work of graduates, may be had by applying to the Registrar, Room 008, Pittsburgh Building.

"PUT YOUR SAVINGS IN A SAVINGS BANK"

One More Lesson

All over the world students of the graduating classes will soon be asking "What to do now?" It's a question each must answer for himself. But one thing is sure: whatever type of business one enters, a certain quota of even the most modest salary should be banked. That is the great lesson in the School of hard Knocks.
